

THE PERFECT COMBINATION OF CUSHIONED COMFORT AND PLAYABILITY

California Sports Surfaces (CSS) is a team of the most prestigious sports surfacing brands. *Rebound Ace* is a CSS brand with a long, decorated history and renowned world leader in cushioned acrylic surface systems. With strikingly vivid and long lasting colour finishes, the Rebound Ace range has options to suit all your sport surfacing requirements. From the durable, colour fast *Synpave* over asphalt or concrete, through to *Rebound Ace GS8* for 8mm of pure cushioned comfort, Rebound Ace products provide high quality, low maintenance solutions for all indoor and outdoor sports.

SYNPAVE

The long lasting premium acrylic coating over concrete or asphalt with excellent slip resistance and UV stability.

Perfect ball bounce every time, no matter whether your game is professional, club or social.
Ideally suited to tennis, netball, basketball, futsal and general playground or multisport areas
An affordable surface with extremely low maintenance requirements
Available in a portable court solution

REBOUND ACE GS8

Rebound Ace GS8 is the ultimate in cushioned sporting surfaces. With a shock absorbency rating of >23%, the GS8 is perfectly suited to players who prefer maximum comfort and reduced stress on the body.

7mm custom rubber shock pad for the highest level of player comfort
Reinforced with fiberglass for added stability
Suitable for all individual or multisport courts

PRO CUSHION

A liquid cushion surface system incorporating multiple layers of rubber-filled acrylic beneath our high quality top coats. Tailor your desired level of cushion to your budget by selecting the thickness of cushion.

Pro Challenge – 8/9 Coat System (2-3mm)
Pro International – 10 Coat System (3-4mm)
Pro Premium – 11 Coat System (4-5mm)

REBOUND ACE AIR CUSHION

Designed for application over old and deteriorating surfaces, while retaining all the preferred playing characteristics of Rebound Ace GS8.

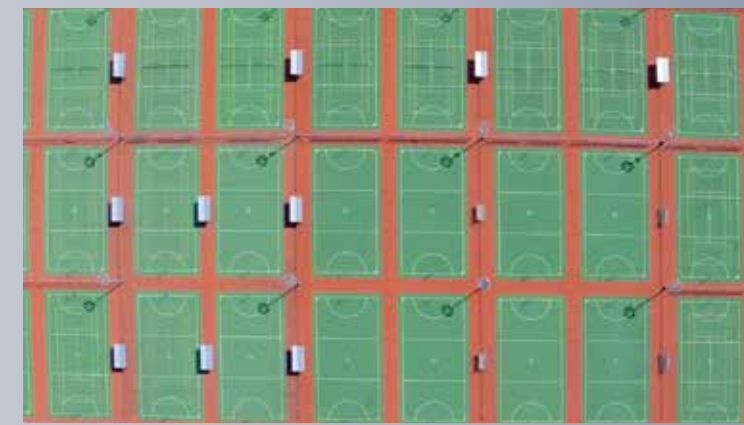

Ability to cover old cracked concrete and asphalt courts
Economic conversion to Rebound Ace Air Cushion from other surface types
Extremely low maintenance

REBOUND ACE HSA

Containing our advanced high density 4mm rubber shock pad, the popular Rebound Ace HSA system offers the perfect level of shock absorption with excellent UV stability and slip resistance.

4mm custom rubber shock pad with the finest acrylic colour coats
Sure, comfortable underfoot feel, reducing stress on the body and allowing for extended periods of play
An affordable cushioned surface with extremely low maintenance
